**£31 on a 5-year contract**

**£33 on a 4-year contract**

**£35 on a 3-year contract**

### ***Option 3 - BT for Business (New Contract)***

- 80 mbps FTTC Broadband (Fibre to the Cabinet)
- 36-month contract option
- £29.95 set up fee.

**£26.95 per month + VAT**

### ***Option 4 - The Daisy Group***

- 80 mbps FTTC Broadband (Fibre to the Cabinet)
- 3-year fixed contract including free installation
- Static IP Included
- One off delivery charge £6.95

**£37 per month**

Although, BT is the most expensive option up front, it is a huge reputable company with good customer service and processes in place for if we were to have any issues during the set up or throughout the contract.
