Town Council

Recycling Guide

As part of our pledge to take an active role in reducing Newent's carbon footprint, we encourage all residents to re-use, re-purpose and recycle as much as possible.

Here are some useful locations:

- **Lakeside car park (Lewall St)** - in addition to larger containers for the usual kerbside recyclables, food and drink cartons, paper cups, textiles, shoes and bags.
- **Co-op store, Market Square** - Salvation Army clothes bank for re-usable clothing, household linens, shoes and bags (car park), soft plastics (in-store by the photo booth)
- **The Recycling Shop, Sheppard Way, GL18 1TL.** Open Mon - Fri 10-4. Extensive display of small items to large furniture at very affordable prices. Collection available. Donate or buy. Community Interest Company aiming to prevent waste.
- **The Mend and Repair Cafe. Memorial Hall.** Every third Saturday, 10-1pm. Knives/garden shears sharpened, items of clothing shortened, patched or repaired; broken toys mended, vacuum declogged, necklaces restrung, wooden chairs pinned and glued, and electrical items repaired if possible, by volunteers, all for a small donation. Coffee/tea and cake available to buy while you wait,
- **Charity shops in Newent** are always glad of donations of saleable items and have a great range of goods to buy.
- **Don't forget** that you can leave out aluminium foil, bagged batteries and small electrical items with your regular household recycling collections.

We are keen to promote all recycling and more information will follow. Please let us know of any local schemes we have not included here by emailing townclerk@newenttowncouncil.gov.uk or commenting here.
